Press Statement

A Whatsapp image has been circulating among the public showing what appears to be the text of a Singapore Government Media Release of a Speech by Mr Mohamad Maidin Bin Packer Mohd at the opening of the upgraded Kampong Ubi Community Centre on 1 Oct 2000.

It refers to a Mr George Goh, who was the Chairman of Kampong Ubi Citizens' Consultative Committee (CCC).

We have checked and believe this refers to Mr George Goh Tiong Yong, and not Mr George Goh Ching Wah.

Mr George Goh Ching Wah was never a CCC member let alone chairman and has no political affiliations – past or present.
